Rental Period and Rates

Generally, rates are quoted for a one-day, single-use event. Will Call days are Mondays and Thursdays for customers who pick up and return equipment on their own. Arrangements for customers utilizing Global 6 Solutions' delivery, pick up and labor services will be made on a case-by-case basis depending on customer needs, staffing, delivery assets, venue requirements, etc. Typically, this allows obtaining the equipment at least the day before the event and return the next business day after the event. This allows for 2 or 3 days out for a one day price. If you require a different rental period or accommodation, please contact us for rate information. All charges are for time out use whether used or not. Prices and policies are subject to change.

Order Changes

- Final changes to item counts need to be placed at least 14 days prior to delivery or customer pick up.
- One week prior to the Out Date orders are packed, staged and loaded and cannot be reduced.
- Equipment added to your order within one week of the Out Date may be subject to Last Minute Order or Delivery Fees.
- Or, to avoid extra delivery fees you are welcome to pick up the items from our location.
- Once the order is assembled full charges apply.

Damage Waiver

An optional damage waiver is available. For 10% of the rental charges, the customer can waive the risk of accidental damage to rented items (except installed tents, see below). The Damage Waiver does not cover the cost of missing items or negligent use of the equipment. To make sure you receive credit for broken or damaged items (if Damage Waiver is elected) please return the broken items. For example, if a glass is broken please return the broken piece(s) for coverage. Excluded from this waiver is loss or damage due to theft, disappearance, and mildewed, burned or torn linen. Examples of damage covered by Damage Waiver include accidental damage such as chips, cracks, broken china or glassware; stains to linens, damage to tables or chairs. The damage waiver fee is non-refundable.

Damage Waiver Is Not Available for Installed Tents

Damage waiver is not available on installed tents and is not charged on installed tents. Damage due to weather to tents installed by Global 6 Solutions is Global 6 Solutions' risk. Damage to tents from vandalism, vehicles, lawn equipment, decorations, other vendors, grilling and food preparation, non-Global 6 Solutions lighting, falling branches and trees not from weather, and chemicals such as fertilizers and pesticides; for example, is the customer's responsibility.

Broken, Damaged and Missing Rental Items

The customer is responsible for the equipment while in their possession. Be sure equipment is secured when not in use and protected from the weather. Notify us immediately if you find something broken or missing when it is received!

Delivery

Delivery is available for an extra charge between 8:00-5:00pm, Monday through Saturday. Fees are determined by zip code and number of vehicles required. It includes service to first-floor docks, garages or within 25 feet of the tailgate of the truck. Delivery, pickup, setup and take down to areas or floors beyond this require additional charges due to increased labor involvement. Other delivery times and services can be arranged with our office staff for an extra fee. Our delivery staff is instructed to stack all items at a place immediately accessible to our truck. Set up and takedown is available for a fee if arranged in advance with our office staff.

Special racks, containers and packaging are provided for china, glassware, flatware, etc., to ensure that you receive your items sanitized, undamaged, and ready for use. Missing or damaged packaging is charged a replacement fee.

Pick Up

Rental items need to be returned to their point of delivery. China, glassware, and flatware should be rinsed free of food and placed back in their supplied racks. Linens should be dry and returned in the bags or bins provided (make sure fabric items are not damp to avoid mildew). Tables and chairs should be taken down and stacked and ready for pick up. All items should be ready in a single location, secured, protected from the elements, and ready for pick up. Items not meeting these conditions are subject to additional fees.
